

Board of Directors Meeting
Kingston Lake (Great Pond) Association
August 30, 2023 @ 7:00 PM
Kingston Community Library
Minutes

7:00

- Call to Order – Muriel Ingalls. Meeting was called to order at 7:10. Members present were: Holly Ouellette, Sue Palmeter, Linda Corson, Leigh Komornick, Larry Smith, Troy Dutton and Muriel Ingalls
- Secretary’s Report – July and August minutes attached.
- Treasurer’s Report – deposits have been made to the checking account in the amount of: \$720.00 on 8/7, \$300 Regatta on 8/7, and \$535 on 8/29. We have 40 memberships. The following bills have been paid: Hampstead Copy for \$102.50, Kingston PO for box rental for one year and key \$203.00 and \$500 to Leigh Komornick for Lake Host Supervisor. Balance in checking is \$4,798.64. Balance in savings is \$8, 044.57.
- The Clark family has named KLA to receive donations in memory of Steve Clark who passed away on August 18, 2023. To date we have received \$350. Muriel has a letter ready to mail to donors. She will also keep a record of receipts to share with the Clark Family.

. New Business

- Regatta feedback- we are pleased with Regatta outcomes. Improved signage for the boats, buoys to signify boats. 40 boats participated. Wonderful weather people had a good time. Gift cards \$50 each from Hannaford and Market Basket for snacks. Camp Lincoln did an excellent job with staffing and food.
- Lake Host Update – Leigh reported on the Lake Host season. We had 4 hosts and 1 supervisor and several folks volunteered. Final number of boat inspections to be announced. Leigh highlighted a number of issues that seem to come up every year: parking, use of the area for swimming, water quality announcements, no wake signs. These are not Lake Host concerns but our presence makes folks talk to us about these issues. We are very pleased with the outcomes for this year’s lake host season. We had good coverage in high peak hours.
- Kingston Days – September 9 table coverage 50/50 a go. We intend to have a table on Saturday. This will be an information table with brochures etc. We will hold a 50/50. Muriel will set up at 8 and man table until 10. Coverage is needed 10-12, 12-2.
- Camp Lincoln/Kingston Lake (Great Pond) Grant – Advisory committee will meet the end of September.
- Loon Nest update – Twice the loons were seen on nests in two different locations. Muriel will work with Jim MacDougal and LPC for the next mating season in 2024.

- Scott Weinholdt life jacket station was a huge success. People were impressed and very grateful. People made donations and at last check all jackets were there and in good condition.
- Water sampling dates: August 21 was accomplished with Liam from DES and Steve White and Linda Corson. Sept. 18 is the next sampling date.
- Summit denied by ZBA.

Next meeting – September 27 we hope to have Phil Coombs and Joel Johnson at our Sept or Oct meeting to discuss parking and traffic issues at the Ramp.

Meeting adjourned at 8:15.

Respectfully submitted,

Muriel Ingalls
